SERVICE HOURS: Each Catholic School and Parish are asking families to help the school by volunteering 10 hours of service per school year. Service includes many different areas from working at the Septemberfest, working in the library, driving on field trips, helping in the classroom, tutoring, coaching, etc. The list goes on. It's not hard to get your hours completed within the school year. Please write down what you have done and your accumulation of hours. Each quarter send this form to the school office with your child (to help remember the quarters it's when report cards are sent out). See above dates.

- If you are unable to volunteer we ask that you do your part by paying \$10 per each hour not completed. This is the policy in each of the four Catholic Schools.

Thank you for your support and dedication to the school. We appreciate it!
