

Good Morning Registration is now open for 2019-2020 school year. Kindergarten, 2<sup>nd</sup> grade, 6<sup>th</sup> grade, Pre-K 3 year olds and Pre-K 4 years will need physicals by August. Kindergarten will also need eye and Dental exams by August. These forms may be brought to school or scanned and emailed to me. Likewise, there will be forms that need to be printed and signed during registration. All registration is online through your Renweb account it has to be done on a computer. It will not work on any mobile device.

While registering you will also need to complete a payment plan through FACTS even if you will be paying your tuition in one payment. After you finish the payment part of your registration, please make sure you come back to complete the Registration process or your student/students will not be registered. How you know you have completed everything is at the end you will be asked to pay your Technology and Instructional Fee all together for each student you have enrolled. Then you will be done.

If you need any assistance in the registration process or with anything please let me know.

If you are behind this year's tuition payments or Pre-K tuition payments, then you will not be able to enroll your student/students until they are paid. Please let me know if you any questions.

Thank You

Dottie Buckman
